

# VETSENSE FLYGON

## Product Description

### ACTION/INDICATIONS

To repel flies and other biting insects on horses, dogs, cattle and pigs. For the control of fleas and lice on dogs and cats.

The combination of natural Pyrethrins, Citronella Oil and synergists in a **low irritant and non flammable** base results in **longer acting insecticidal and repellent properties** than alcohol based repellent sprays.

### ACTIVE CONSTITUENTS

1.5 g/L pyrethrins, 6.0 g/L di-N-propylisocinchomeronate,

2.7 g/L piperonyl butoxide, 3.0 g/L N-octyl bicycloheptene dicarboximide and citronella oil in a non alcohol base.

### PRECAUTIONS AND FIRST AID

Avoid direct application to eyes, nose and mouth. If poisoning occurs contact a doctor or Poisons Information Center.

**WITHHOLDING PERIOD:** Nil

**DIRECTION FOR USE:** Spray the animal lightly for a few second with a sweeping motion from head to rear or use a cloth dampened with Flygon. Use once daily or twice daily if infestation is severe. Spray areas where fleas and flies are likely to settle such as kennels and bedding.

**PRESENTATION:** 125mL, 250mL, 500mL and 5L
