# K9POWER

HEALTH & WELLNESS SUPPLEMENTS

## SUPER FUEL

Dogs today are much more active. If your dog works hard or plays hard all day their needs differ from the rest of the pack. Whether you have a service dog or champion performer, they require more nutrients (fuel) than other dogs. K9Power SUPER FUEL™ was designed to meet the nutritional needs of today's active dogs with a performance formula that supports skeletal stability and lean muscle formation. SUPER FUEL™ further meets the needs of active dogs by promoting healthy stamina and endurance while aiding in recovery. At K9Power®, we are committed to your dog's everyday health and wellness, and our SUPER FUEL™ formula is one of our many products that puts the needs of your pet first.

K9Power® has been an innovator in pet nutrition for over 20 years. Our mission has always been to manufacture products that produce results exceeding all expectations. Our family-owned business is comprised of passionate dog enthusiasts committed to effectiveness over margin. Our human grade ingredients, production accreditations and constant monitoring of pet nutrition research will give you comfort that in choosing K9Power®, you are choosing the very best for your pet.
