## Essential Fatty Acid Supplement

**Benefiting your pet's skin from the inside out.**

- This liquid supplement contains Omega 6 and 3 fatty acids in the correct ratio for dogs and cats, as well as Vitamins A, B and E, Zinc and Inositol.
- Improves skin and coat quality and reinforces skin integrity.
- Helps skin conditions. Can also be used as a maintenance regime or for those wanting a healthy coat.
- Provides nutritional support in cases of skin allergy and inflammation.
- This palatable treatment can simply be added to food from easy to use pre-measured sachets or a 1 Litre container.

### Directions for use

*(for 1L bottle, follow directions on pack)*

1. Use 4mL sachet for pets up to 10kg,  
Use 8mL sachet for pets 10 to 20kg  
Use 2 x 8mL sachets for pets over 20kg.
2. Give once a day for dermatological conditions or once every 2nd day for maintaining healthy skin and coat.
3. Cut along perforation.
4. Squeeze contents onto your pet's usual food and mix through.
