HEALTH & WELLNESS SUPPLEMENTS

JOINT STRONG™

It doesn't matter what age or size your dog is; joint health is always an important factor. The food that your dog eats may not give them the proper amount of nutrients their ancestors use to get in the wild, nutrients they need to support healthy joints. K9Power JOINT STRONG™ was developed to provide a bioavailable source of these key nutrients that help maintain healthy joints and cartilage. Additionally, we added key elements that aid in the reduction of inflammation from everyday activity. At K9Power®, we are committed to your dog's everyday health and wellness, and our JOINT STRONG™ formula is one of our many products that puts the needs of your pet first.

K9Power® has been an innovator in pet nutrition for over 20 years. Our mission has always been to manufacture products that produce results exceeding all expectations. Our family-owned business is comprised of passionate dog enthusiasts committed to effectiveness over margin. Our human grade ingredients, production accreditations and constant monitoring of pet nutrition research will give you comfort that in choosing K9Power®, you are choosing the very best for your pet.
